

YOUR NEIGHBOR'S SKYRUN STORY

The Challenge

Meet Jake & Kristina, homeowners who faced with the challenge of managing their vacation rental from a distance. They were in search of a property manager who could market, handle maintenance like a pro, and, most importantly, give them the ultimate peace of mind.

- ✓ No time to self manage
- ✓ Lives in another state
- ✓ Wants to be hands off
- ✓ Seeking a trustworthy partner

- ✓ Hands on property management
- ✓ Optimizing off-season pricing
- ✓ Provides hassle-free management
- ✓ SkyRun gives them flexibility with renting their property

The Solution

After interviewing several property managers, Jake and Kristina found that SkyRun delivered an accurate forecast of potential rental income. By teaming up with SkyRun, they elevated their 2-bedroom condo in Historic Breckenridge into a luxury haven. SkyRun not only offered essential advice for enhancing amenities but also played a pivotal role in boosting bookings, resulting in a substantial profit increase last year. SkyRun's hands-on guidance in shaping a brand identity and targeting the right audience has translated into improved bookings and heightened peace-of-mind for Jake and Kristina.
